Please note: *The ceiling heights are approximate. The height is measured from the upper surface of the concrete floor slab. Where ceiling bulkheads are installed or where drop ceilings may be necessary such as kitchen, foyer, closets, bathrooms, laundry rooms and hallways, the ceiling heights will be less than 10' for the penthouse suites or less than 9' for all other suites. All colours and finishes are to be selected from vendor's standard selections. All available features and finishes are as per plan and may vary from suite to suite. Prices and specifications are subject to change without notice. All areas and stated room dimensions are approximate. Floor area measured in accordance with Tarion Bulletin #22. Actual living area will vary from floor area stated. Builder may substitute materials for those provided in the plans and specifications provided such materials are of quality equal to or better than the material provided for in the plans and specifications. Decorative and upgraded items displayed in the furnished model suites and sales office are for display purposes only and are not included in the purchase price. E. & O.E.
